

# Polo Run Connection

Volume 2

April 2007

From the Board

Spring is finally here! After the winter we had, I think that we are all ready. It is nice to see the flowers blooming, the trees budding and the neighborhood coming alive. This is also the time of year when we begin to have problems with dog poo in the yards. Please, Please, Please respect your neighbor enough to clean up after your dog.

As many of you know, the fence committee has been very busy investigating what it will take to replace our perimeter fence which has surpassed its life expectancy. More information will be coming from this committee.

HOA Board Members: *We would like to welcome our new "At Large" Board member: Sally Tichota. Thank you Sally for volunteering to fill this position!*
