Dinner Club

Dinner Club themes:

October 4th, 2008 - Oktoberfest

For those of you who have participated in the Dinner Club in the past you all know this is not a gourmet dinner club but a social dinner club with the emphasis on getting to know neighbors and have some fun while enjoying dinner together. The Dinner Club meets about 6 times a year. Each time we gather there is a "theme" for the gathering/dinner. This year some neighbors volunteered to come up with the 2007-2008 "themes". They determined it would be fun to do a mix on "in-home" dinners and dinners where everyone gets together at a specific location with dinner served. Come join us and get to know your neighbors!

**From the Architectural Review
Committee:**

Please don't forget to submit an ARC Design Review Request Form well in advance (at least a couple of weeks) of your start date for any painting, landscaping, or other projects that require ARC approval. The form can be downloaded from the PRRA website (www.polorunrec.org) or can be obtained from any ARC member. If you're not sure if your project requires ARC approval, please don't hesitate to call or e-mail any one of the ARC committee members.

"Volunteers are not paid -- not because they are worthless, but because they are priceless."
